

SUMEET TELGOTE

Operations & Events Coordinator | Retail & Logistics Leadership

Brampton, ON, Canada | telgotesumeet@gmail.com | [Add phone number] | linkedin.com/in/sumeet-telgote

SUMMARY

Safety-focused Operations professional with four-plus years of hands-on experience across receiving, freight, and customer service in high-volume retail environments. Proven record of optimizing back-end workflows, achieving 97% scanning accuracy, and driving #1-in-district on-shelf availability. Skilled in inventory control systems (RFM, RGR, BOL), Hazmat compliance, and developing teams through a structured 70-20-10 coaching model. Postgraduate training in Marketing and a developing data analytics skill set (SQL, Python, Tableau) bring a planning and reporting edge to day-to-day operations work.

CORE SKILLS

Receiving & Freight Operations • Inventory Control (RFM, RGR, BOL) • Hazmat Compliance • Team Training & Coaching (70-20-10)

Customer Service Leadership • Cross-Departmental Coordination • Process Improvement • Data Analysis (SQL, Python, Tableau)

PROFESSIONAL EXPERIENCE

Receiving Supervisor — The Home Depot Canada

Feb 2025 – Present

- Managing day-to-day Receiving operations to ensure smooth inbound and outbound workflow.
- Trained and coached a new receiver, consistently maintaining 97% scanning accuracy.
- Took ownership of the Receiving department during a team member's injury, ensuring uninterrupted operations.
- Maintained an organized, compliant Hazmat area and coached associates on safety procedures.
- Supported store-wide operations, including Pro Desk support during Pro Day initiatives.
- Drove district-leading on-shelf availability, ranking #1 in District for Q4.
- Recognized with a Silver Homer Award for performance and leadership.

Overnight Freight Associate — The Home Depot Canada

Apr 2024 – Feb 2025

- Executed overnight freight operations, including unloading, staging, and stocking merchandise.
- Ensured accurate product placement and store readiness in a high-volume environment.
- Collaborated with leadership and team members to meet productivity targets.
- Maintained strict safety compliance when handling equipment and merchandise.

Material Handler — Savers | Value Village

Apr 2023 – Apr 2024

- Handled inbound and outbound material flow, including sorting, staging, and processing large volumes of donated goods.
- Supported warehouse efficiency by maintaining organized backroom operations and material flow.
- Assisted with inventory movement and preparation for sales floor replenishment.

Retail Associate — Walmart

Sep 2022 – Dec 2023

- Supported daily store operations including stocking, inventory replenishment, and customer assistance.
- Maintained merchandising standards and ensured product availability on the sales floor.

Customer Service Manager — R.C. Logistics

Jan 2018 – 2022

- Led a customer service team, resolving escalated issues and ensuring prompt, consistent-quality service.
- Collaborated with supply chain and sales teams to ensure prompt and accurate order processing and delivery.
- Identified and drove process improvements to raise productivity and service quality.
- Recruited and trained the customer service team.
