Postgrad in Marketing (TRU) • Google Ads Certified • SQL • Python • Tableau • Silver Homer Award • 17-Project Portfolio

SUMMARY

Marketing and communications professional who pairs creative training with data skills. Holds a postgraduate degree in Marketing (Thompson Rivers University) and a bachelor's in Mass Media, Advertising (University of Mumbai), and has built full IMC plans, digital marketing strategies, and brand identities. Backs creative work with SQL, Python, and Tableau from a completed data analytics immersion. Brings 4+ years of leading teams, coordinating cross-functional messaging, and communicating with customers. Currently a Receiving Supervisor at The Home Depot Canada and a Silver Homer Award recipient.

CORE SKILLS

Digital Marketing & Google Ads • Social Media Marketing • Content & Copywriting • Marketing Research & Strategy • UX Design Fundamentals • Data Storytelling (SQL, Python, Tableau) • Stakeholder Communication • Cross-Functional Collaboration

SELECTED PROJECTS

- **Integrated Marketing Communications Plan — Stanley 1913** (TRU) — Built a three-persona IMC plan targeting a 20% lift in brand awareness, 25% higher digital engagement, and 1,000 qualified leads. Designed a #MyStanleyWaterbottle UGC giveaway, a 15–20 creator influencer program, and an \$86K budget across Instagram, TikTok, YouTube, and email.
- **Pure Harvest Connect — Brand & Digital Marketing Plan** (TRU) — Created the brand identity, wireframes, and a Wix storefront for a Kamloops farm-to-consumer marketplace. Planned SEO content, six Google Ads campaigns, email newsletters, and a \$10K social budget, targeting +30% site traffic and +20% email subscribers in six months.
- **Dusky Prints — Brand Identity System** (Wilson College) — Designed a complete brand identity: logo mark and lockups, colour palette, three-typeface system, and brand guidelines, applied across business cards, hang tags, totes, a website homepage, and social media templates.
- **GameCo — Marketing Budget Recommendation** (CareerFoundry) — Analyzed regional video game sales in Excel and showed that Europe had overtaken Japan as the #2 market. Recommended shifting budget toward Europe's sustained growth, with niche targeting for Japan.
